

Muskoka Builders' Association Apprenticeship Bursary Application

Application Deadline: April 30, 2017

Bursaries will be awarded June 13, 2017

Details of Bursary: An opportunity to receive a Bursary is available to any person who is a registered apprentice in a construction-related trade and is currently employed by a member in good standing of the Muskoka Builders' Association.

Requirements: A letter of recommendation from your employer indicating successful completion of the work portion of the year in question, plus a copy of your final transcripts from your Training Institution with a minimum average mark of 80% for the year in question.

These must be attached to a completed application form and be submitted by the application deadline.

The number of Bursaries are limited and will be awarded to the eligible applicants, with greater reward going to those with higher marks at the discretion of the Board of Directors.
